# Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed Online at [www.sharylandisd.org](http://www.sharylandisd.org).

## District Information

**Official Name:** Sharyland Independent School District

**Founded:** 1921

**Vision:** "Sharyland ISD ... Excellence is our Tradition"

## Description of the District

**Mascots:** Rattlers, Diamondbacks. and Cobras

**Colors:** Red, White, Charcoal, and Navy

**Communities Served:** Sharyland, Mission, Alton, Palmhurst, Edinburg, and McAllen

### Brief History:

Sharyland is a large community in the Lower Rio Grande Valley situated between the cities of Mission and McAllen. Before the 19<sup>th</sup> century, the area where Sharyland now stands was sparsely populated with ranching families, most of Mexican descent. However, by the late 19<sup>th</sup> century and early 20<sup>th</sup> century, land developers took an interest in many of

the lands along the Rio Grande. One such developer was John H. Shary, a native of Nebraska who visited the Rio Grande Valley in 1912. Shary saw the potential for farming and citrus production and within a short time purchased thousands of acres of land which he named Sharyland. Sharyland attracted farmers from the North and Midwest and became known for its citrus production. Sharyland was also John Shary's home until his death in 1945.

Sharyland Independent School District is named in honor of John H. Shary who was president of the district's first board of trustees. Created in 1921, this twenty-six square-mile school district is located in Hidalgo County. The district is committed to providing the highest quality education possible for all students.

Public schools in Sharyland include: Jessie Jensen Elementary School, John H. Shary Elementary School, Lloyd and Dolly Bentsen Elementary School, Olivero Garza Sr. Elementary School, Romulo D. # Employment

## Equal Employment Opportunity

*Policies DAA, DIA*

In its efforts to promote nondiscrimination and as required by law, Sharyland ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: *Title IX Coordinator, Deborah Garza, Executive Director for Human Resources at 1200 N. Shary Road, Mission, TX 78572, via telephone at 956-584-6400 (ext. 1025) or via email at [deborahgarza@sharylandisd.org](mailto:deborahgarza@sharylandisd.org)*. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: *Azucena Garza, Director of Special Programs, 1200 N. Shary Road, Mission, TX 78572, via telephone 956-580-5200 or via email at [azucenagarza@sharylandisd.org](mailto:azucenagarza@sharylandisd.org)*.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

## **Job Vacancy Announcements**

### *Policy DC*

Announcements of job vacancies by position and location are posted on a regular basis to the district's website.

## **Employment after Retirement**

### *Policy DC*

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website ([www.trs.texas.gov](http://www.trs.texas.gov)).

## **Contract and Noncontract Employment**

### *Policy DC series*

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

**Probationary Contracts.** Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

**Term Contracts.** Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed Online or copies will be provided upon request.

**Dual Contracts.** Secondary coaches, with an athletic period, will be issued a dual contract. The teaching or coaching part of the contract cannot be void without implication of the other part.

**Addendums to Contracts.** An addendum to an employees' probationary or term contract may be added if he/she does not hold an endorsement, supplemental certificate, or standard certificate issued by the State Board for Educator Certification (SBEC) for their current assignment. Addendums are given in special circumstances and must be approved by the Superintendent of Schools or Superintendent's designee.

**Noncertified Professional and Administrative Employees.** Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

**Paraprofessional and Auxiliary Employees.** All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

## **Certification and Licenses**

### *Policies DBA, DF*

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Office in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Human Resources Office when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background

checks. Contact the Human Resources Office if you have any questions regarding certification or licensure requirements.

## **Recertification of Employment Authorization**

### *Policy DC*

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resources Office if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

## **Searches and Alcohol and Drug Testing**

### *Policy CQ, DHE*

Non-investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

**Employees Required to Have a Commercial Driver's License.** Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Human Resources Office.

## **Health Safety Training**

*Policies DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the Athletic Trainer's Office by the first week of August.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, Online training regarding seizure disorder aware-ness, recognition, and related first aid.

## **Reassignments and Transfers**

*Policy DK*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a

dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA(Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by the designated deadline established by the district. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Human Resources office and must be approved by the receiving supervisor.

## **Workload and Work Schedules**

*Policies DEAB, DK, DL*

**Professional Employees.** Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

**Paraprofessional and Auxiliary Employees.** Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation on page 28 for additional information.

## **Breaks for Expression of Breast Milk**

*Policies DEAB, DG*

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a

multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact the Human Resources Office at 956-584-6400.

## **Pregnant Workers Fairness Act**

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact the Human Resources Office at 956-584-6400 to begin the interactive process.

## **Notification to Parents Regarding Qualifications**

*Policies DK, DBA*

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Office.

## **Outside Employment and Tutoring**

### *Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

## **Performance Evaluation**

### *Policy DN series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

## **Employee Involvement**

### *Policies BQA, BQB*

At both the campus and district levels, Sharyland ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Human Resources Office.

## **Staff Development**

### *Policy DMA*

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

## **Compensation and Benefits**

### **Salaries, Wages, and Stipends**

#### *Policies DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 28.)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Payroll Department for more information about the district's pay schedules or their own pay.

## Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid semi-monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

The schedule of pay dates for the 2023-2024 school year follows:

September 22, 2023	January 24, 2024	May 24, 2024
October 20, 2023	February 23, 2024	June 25, 2024
November 17, 2023	March 22, 2024	July 25, 2024
December 20, 2023	April 24, 2024	August 23, 2024

## Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of 30 days is necessary to activate this service. Contact the Payroll Office for more information about the automatic payroll deposit service.

## Payroll Deductions

*Policy CFEA*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

### Overpayments.

Employees are not entitled to any funds the district overpays. An agreement between an employee and the district must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

## **Overtime Compensation**

*Policies DEAB, DEC*

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12: 00 a.m. Saturday and ends at 11:59 p.m. Friday.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

## **Travel Expense Reimbursement**

*Policy DEE*

Before any travel expenses are incurred by an employee, the employee's immediate supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

## **Health, Dental, and Life Insurance**

### *Policy CRD*

Group health insurance coverage is available to all full-time employees. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees on the district's insurance webpage.

The health insurance plan year is from January 1 through December 31. New employees must complete enrollment forms within the first 30 days of employment. Current employees can make changes in their insurance coverage with qualifying events or during open enrollment. Employees should contact the Insurance Specialist at 956-584-6406. for more information.

## **Supplemental Insurance Benefits**

### *Policy CRD*

At their own expense, employees may enroll in supplemental insurance programs for employee or family. Premiums for these programs can be paid by payroll deduction. Employees should contact the Insurance Specialist at 956-584-6406 for more information.

## **Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

## **Workers' Compensation Insurance**

### *Policy CRE*

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the Workers' Compensation Clerk, Campus Nurse, Campus Administration, Campus Office personnel, or Employee Supervisor. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits*, pages 29-30 for information on use of paid leave for such absences.

## **Unemployment Compensation Insurance**

### *Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Office of Human Resources.

## **Teacher Retirement**

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify TRS as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web ([www.trs.texas.gov](http://www.trs.texas.gov)).

## **Other Benefit Programs**

- CRG (LEGAL) – Tax-sheltered annuities

- FDA (LOCAL) – A nonresident employee wishing to transfer into District schools shall file an application for transfer each school year with the Superintendent or designee. Transfers shall be granted for one regular school year at a time.

## Leaves and Absences

### *Policies DEC, DECA, DECB*

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Human Resources Office for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in half workday increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local leave
- State sick leave
- State personal leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. It is the employees responsibility to report any absence to their immediate supervisor and register each absence via Time Off/Skyward if applicable. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 10 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

**Immediate Family.** For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.

- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA(LEGAL).

**Medical Certification.** Any employee, who is absent more than three consecutive work days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

**Continuation of Health Insurance.** Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

## Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

**Nondiscretionary.** Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

**Discretionary.** Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor five days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor. An employee's discretionary use of personal leave **shall not exceed five days** in a semester or ten days in a school year.

Discretionary use of leave shall not be allowed under the following circumstances except in extenuating circumstance as determined by the principal/immediate supervisor:

1. The day before or after a school holiday.
2. Days scheduled for end-of-semester or end-of-year exams
3. Days scheduled for state-mandated assessments
4. Professional or staff development days

The district shall not approve paid leave for more leave days than have accumulated in prior years plus leave currently available. Any unapproved absences beyond accumulated and available paid leave shall result in deductions from the employee's pay.

**Leave Proration.** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

## Recording Leave

Leave shall be recorded as follows:

1. Leave shall be recorded in half day increments for all employees.

2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one hour increments.

### **Frequent or Prolonged Absences**

All absences in excess of ten days shall be investigated by the immediate supervisor, who shall take appropriate action as required by district guidelines.

The supervisor shall report all absences in excess of 10 days in a school year to the Superintendent or designee, who shall take whatever action is deemed necessary.

An employee working a position that requires the use of the District's automated online or telephonic absence reporting system, must use the system to report all absences. Additionally, any employee who is absent three or more consecutive days must make personal phone contact with his or her immediate supervisor by the third day of absence.

### **Sanctions for Abuse**

#### *Policy DCD and DF Series*

All employees leave shall be provided for the specific purposes stipulated in this policy. It is not intended to be used as a vacation or for mere convenience. Except for discretionary use of state personal leave, documentation at the discretion of the Superintendent or designee may be required for any absence. Abuse of the employee leave program is a violation of District policy and may result in disciplinary action up to and including loss of pay, suspension, demotion, or termination of employment, in accordance with appropriate District policies.

### **Neutral Absence Control**

An employee's physical presence at work is an essential part of each employee's job with the District. The District recognizes that when an employee is absent, the employee may have available types and categories of leave available through the District policy, Texas law, or federal law. If an employee is absent from work after exhausting all available leave, the employee cannot perform an essential function of his or her job and may be subject to termination.

### **Summer Use**

An employee whose normal work schedule does not extend past the regular school year shall not be eligible to use accumulated state or local leave if employed by the District as a substitute during the summer.

## **State Sick Leave**

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

## **Local Leave**

All employees shall earn five workdays of paid local leave per school year in accordance with administrative regulations. Local leave is earned at a rate of one-half day for each 18 workdays.

Local leave for professional personnel shall accumulate to a maximum of 30 workdays and shall accumulate to ten workdays for other employees. Local leave shall be use according to the terms and conditions of state sick leave accumulated before the 1995-96 school year. [See DEC (LEGAL)]

## **Vacation**

*Policy DED*

Each auxiliary employee in a position normally requiring 12 months of service (255 calendar days) shall be entitled to five workdays of vacation after completing one full year of service, and shall be entitled to ten workdays of vacation after five years of employment. Vacations shall not accumulate and must be taken by the end of the duty year. An employee who resigns or is terminated forfeits any unused vacation time.

## **Catastrophic Illness or Injury Sick Leave Bank Program**

Full time employees who are eligible for membership in the Texas Teacher Retirement System may wish to enroll in the Catastrophic Illness or Injury Sick Leave Bank by voluntarily donating three days of available local sick leave to become vested at the time of donation. The open enrollment period for current Sharyland employees shall begin July 1<sup>st</sup> of each school year and end on August 31<sup>st</sup> of that school year. The effective date will be upon the date leave is deducted from the employees local bank. New employees hired during or after the enrollment window dates have 14 business days to voluntarily join the Catastrophic Illness or Injury Sick Leave Bank Program. Contact the Office of Human Resources for more information. DEC (LOCAL).

The contribution shall be made on the Catastrophic Illness or Injury Sick Leave Bank Program form by the staff member enrolling and will remain enrolled while employed

with Sharyland ISD unless the employee elects to cancel. Cancellation must be submitted in writing to the Office of Human Resources. If a member decides to cancel his or her membership in the bank, all days contributed shall become property of the bank. If, at a later date, this individual wishes to rejoin the bank, he or she may do so during the enrollment period by donating the required number of days. Membership in the Catastrophic Illness or Injury Sick Leave Bank ceases on the effective date of an employee's termination from the district.

To receive days from the bank, the requesting employee shall:

1. Be a member of the Catastrophic Illness or Injury Sick Leave Bank Program by donating three days at the time of enrollment.
2. Have exhausted all accumulated state and local sick leave; and
3. Have a catastrophic illness or injury as defined in this policy DEC (LOCAL).

The Catastrophic Illness or Injury Sick Leave Bank Program may only be used for the contributor's own personal illness or injury, not the care of a family member. Members cannot transfer eligibility to other Sharyland ISD employees not enrolled.

A Catastrophic Illness or Injury is a severe condition or combination of conditions effecting the mental or physical health of the employee (member). Such conditions typically require in-patient hospitalization or are expected to result in disability or death. Absences due to elective surgery, normal pregnancy, bonding, adoptions or foster placement of a child are not considered catastrophic illnesses for purposes of the catastrophic sick leave bank.

An eligible employee may apply for up to 50 days from the sick leave bank. Days shall be granted only for absences from workdays and shall not be granted for holidays, vacation days, or other such days for which the member is not paid. If a member has received days from the bank, returns to work, and then becomes ill again with the same or different illness, the employee may apply for additional sick leave bank days, not to exceed 50 days per school year or contract year.

To apply for days from the sick leave bank, an employee shall submit in writing their request to the Office for Human Resources. Medical certification by a healthcare provider as defined by the FMLA must be submitted with a request for sick leave bank days. Recertification of medical condition is required every twenty-five business days if more days are being requested. The district reserves the right to request a second opinion to certify the need for leave by a healthcare provider designated by the district. The district will assume the cost if a second opinion is required.

If the employee is unable to request leave from the sick leave bank, a member of the employee's family or the employee's supervisor may submit the request.

Within ten working days of receipt of a member's request, the Human Resources Administrator authorized to consider requests for leave from the Catastrophic Illness or Injury Sick Leave Bank shall review the request and render a decision to the member and the payroll office.

If a member's request for Catastrophic Illness or Injury Sick Leave Bank is denied, the member may file a written appeal at Level Two in accordance with DGBA (LOCAL).

If a member uses more than 25 days from the bank during a contract or school year, the member shall be required to donate an additional two days during the following school year in order to continue membership in the bank.

If the number of days in the bank falls below two times the number of participating members on July 1st of a given year, each participant shall be required to contribute one extra day at the beginning of the school year. If the number of days falls below one day of each contributing member, the members shall be required to contribute two days.

## **Family and Medical Leave Act (FMLA)—General Provisions**

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

### **What is FMLA leave?**

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and

- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness **may take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is **not paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

### **Am I eligible to take FMLA leave?**

You are an **eligible employee** if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

### **How do I request FMLA leave?**

Generally, **to request FMLA leave you must:**

- Follow your employer's normal policies for requesting leave,

- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You **do not have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You **must also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer may request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

### **What does my employer need to do?**

If you are eligible for FMLA leave, your employer **must**:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer cannot interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer must confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, **your employer must notify you in writing**:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

### Where can I find more information?

Call **1-866-487-9243** or visit **dol.gov/fmla** to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. **Scan the QR code to learn about our WHD complaint process.**

## Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses FML.

**Use of Paid Leave.** FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**Fitness for Duty.** An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required

when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

**Reinstatement.** An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA(LEGAL)).

**Failure to Return.** If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

**District Contact.** Employees that require FML or have questions should contact the Human Resources Office at 956-584-6400 for details on eligibility, requirements, and limitations.

## Temporary Disability Leave

**Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Human Resources Office should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

## **Workers' Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

## **Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to the workers' compensation department.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

## **Bereavement Leave**

Use of state and/or local sick leave for death in the immediate family shall not exceed ten workdays per occurrence, subject to the approval of the district.

## **Jury Duty**

*Policies DEC, DG*

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

## **Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

## Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

## Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

## Military Leave

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

**Reemployment after Military Leave.** Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact the Human Resources Office. In most cases, the length of federal military service cannot exceed five years.

**Continuation of Health Insurance.** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Insurance Specialist at 956-584-6406 for details on eligibility, requirements, and limitations.

# Employee Relations and Communications

## Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities.

## District Communications

Throughout the school year, the Public Information office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

### Dealing with News Media

Public Schools, as public institutions, often become items of public interest. The courts have held that the public has a right to know about the schools, particularly in the area of expenditure of public funds. The practice of the School District is to cooperate with the news media and to accommodate any fair, objective, and reasonable request for information about the schools. The following are guidelines for school district personnel to use when dealing with News Media:

- In the event of any district/school related incidents, the Superintendent is the designated spokesperson for the district.
- Upon receiving approval from the Superintendent, it is the responsibility of the School District, through the Office of Public Information, to assist qualified news media representatives to secure available information as accurately, quickly, and conveniently as possible.
- Prior to any discussions with the media, the Office of Public Information must be contacted.
- If requested and clearance is provided by the Superintendent, a school administrator is to cooperate with the news media in a way that best serves the School District and the right of the public to know.

# Complaints and Grievances

## *Policy DGBA*

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows and can be found at [www.sharylandisd.org](http://www.sharylandisd.org)

## **Discrimination, Harassment, and Retaliation**

### *Policies DH, DIA*

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is available on the districts website [www.sharylandisd.org](http://www.sharylandisd.org)

## **Harassment of Students**

*Policies DH, DHB, FFG, FFH, FFI*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 52 and *Bullying*, page 82 for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted and available on the district's website at [www.sharylandisd.org](http://www.sharylandisd.org)

## **Reporting Suspected Child Abuse**

*Policies DG, FFG, GRA*

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made Online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## **Sexual Abuse and Maltreatment of Children**

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at [www.sharylandisd.org](http://www.sharylandisd.org). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

## **Reporting Crime**

### *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## **Scope and Sequence**

### *Policy DG*

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

## **Technology Resources**

### *Policy CQ*

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or

termination of privileges and may lead to disciplinary and/or legal action. Employees with questions about computer use and data management can contact the Technology Department.

## **Sharyland ISD Bring Your Own Device (BYOD) Student, Parent, and Staff Guidelines**

As new technology continues to change the world in which we live, it also provides many new and positive educational benefits for classroom instruction. To encourage this growth, and to ensure that we are truly empowering 21st Century Learners, Sharyland ISD is launching a BYOD (Bring Your Own Device) initiative. Our network is prepared to accept and support non-district devices in an effort to allow students/staff to bring their own technology devices on campus and to use them in the classroom to enhance the learning process. The decision to allow students to bring their own technology devices onto campus rests with the campus Principal, and whether students will be allowed to use their own devices in the classroom (including when and how) will be determined by each classroom teacher.

### **Definition of “Device”**

For purposes of Bring Your Own Device (BYOD), “device” means a privately owned wireless and/or portable electronic hand held device that includes, but is not limited to, laptop and mobile computers, phones, existing and emerging mobile communication systems and smart technologies (Blackberry, iPhone, etc.), portable Internet devices (iPod touch, iPad, tablet PC, etc.), Personal Digital Assistants (PDAs), handheld entertainment systems or portable information technology systems that can be used for: word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

### **Internet Access**

Sharyland ISD will provide wireless connectivity and access to the Internet for all BYOD devices through the SISD- BYOD network and all network use is subject to monitoring. This is the only Internet connection we are allowing for BYOD devices. Connecting to the Internet using a hard-wired network connection, MiFi devices, all cellular data connectivity, not limited to 3G/4G/LTE, as well as personal hotspot sharing is strictly prohibited.” Again hard wired connections (plugging a mobile device directly to the SISD network via an Ethernet cable) are not allowed.

### **Terms of BYOD Internet Use**

Sharyland ISD is providing wireless connectivity as a convenience for anyone wishing to participate in the BYOD initiative and offers no guarantees that any use of the wireless connection is in any way secure, or that any privacy can be protected when using this wireless connection. Use of the wireless network is entirely at the risk of the user, and

Sharyland ISD is not responsible for any loss of any information that may arise from the use of the wireless connection, or for any loss, injury or damages resulting from the use of the wireless connection. All users of the Sharyland ISD network are bound by the district's Responsible/Acceptable Use Guidelines for Technology.

### **Security and Damages Responsibility**

**The Sharyland ISD, its staff, and its employees are not liable for any device including its accessories being lost, stolen or damaged while on campus.** Students/Staff are responsible for keeping track of their devices at all times. Students are to bring devices fully charged. It is recommended that skins (decals), engravings, or other custom markings are used to physically identify your personal device from others. Additionally, protective cases for technology are encouraged.

### **BYOD is a Privilege, not a Right**

The use of technology to access educational material is not a necessity or a right but a privilege. A student does not have a right to use his or her laptop, cell phone or other electronic device while at school. When abused, privileges will be taken away. When respected, they will benefit from the learning environment as a whole. Students and parents/guardians participating in BYOD must adhere to the Student Code of Conduct, as well as all Board policies, particularly Technology Resources (Policy CQ).

Additionally:

- The technology is allowed for educational purposes and only to enhance the classroom experience.
- Use and posting Facebook or other public media is prohibited during classroom/school hours.
- Teachers will decide when it may be used and for what purpose(s). The technology may only be used to access files on computer or Internet sites which are relevant to the classroom curriculum.
- Connecting devices to physical district technology property is prohibited. Items include but are not limited to printers, data projectors, speakers, hard wired network, etc.
- When authorized for use by the classroom teacher, devices will remain visible.
- Students/Staff take full responsibility for their personal electronic/digital devices. The school/district is not responsible for the security of the electronic devices. Additionally, students/staff are responsible for management, trouble shooting, and technical support of their personal devices. The school/district is not responsible for technical support of or repairs to personal devices.

- The technology may not be used to cheat on assignments or tests. The technology may not be used for non- instructional purposes (such as making personal phone calls and text/instant messaging) unless authorized by the teacher or administration.
- The district is not liable for any charges associated to texting, voice, data, roaming, and international charges due to the close proximity of our U.S. border.
- The technology may not be used to record, transmit or post photographic images or video of a person, or persons on campus during school activities and/or hours without with the written consent the participant(s) being filmed/photographed and authorization from the teacher or administration.
- The technology must be in silent mode while on school campuses and while riding school buses or school vehicles.
- All Internet access will be filtered and no attempt shall be made to bypass the filter using any technology available (proxy servers, remote desktop sharing, etc.).
- Students/Staff bringing technology to campus must verify that their anti-virus software exists and is up to date. Knowingly bringing on premises or infecting the network with a virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information may result in disciplinary action that could include suspension of BYOD privileges.
- Hacking, altering, or bypassing network security and sharing IDs/passwords are examples of inappropriate behavior and may result in disciplinary action that could include suspension of BYOD privileges.
- The school/district has the right to collect and examine any device that is suspected of causing network problems or is believed to be the source of a malicious attack or virus infection.

Personal technology is to be charged prior to bringing it to school and runs off its own battery while at school. Students will not always have access to power sources. Neither Sharyland ISD nor the school is responsible for devices that are left unattended and charging anywhere on campus.

Student/Staff abuse or misuse of school or personal technology will result in on one or more of the following penalties and will be assessed at the discretion of the school administration:

- Suspension or revocation of computing and other technological privileges
- Disciplinary action assigned by the administration, including a hearing with the student's parents
- Full restitution by the student to Sharyland ISD for resources consumed
- Other legal action including action to recover damages

- Referral to law enforcement agencies

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible

for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, mealtimes, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

See *Electronic Communications between Employees, Students, and Parents*, below, for regulations on employee communication with students through electronic media.

# **Electronic Communications between Employees, Students, and Parents**

## *Policy DH*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

Teachers and other approved employees are permitted by the district to communicate with students through the use of electronic media within the scope of the individual's professional responsibilities. For example, a teacher may set up a social networking page for his or her class that has information related to class work, homework, and tests. As a parent, you are welcome to join or become a member of such a page. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

However, instant or text messages sent to an individual student are only allowed if a district employee with responsibility for an extracurricular activity needs to communicate with a student participating in the extracurricular activity. The employee is required to include his or her immediate supervisor and the student's parent as recipients on all text messages. An employee may set up class or professional pages such: WhatsApp or Remind 101 to communicate with groups of students. It is strongly encouraged for the employee to include a supervisor and or parent in the mass communication.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

- This document must remain on file with the employee's evaluating supervisor. If it is for a relative or family friend who for a social relationship that is not via an extracurricular program, this letter shall be relevant and applicable for exception purposes until revoked by the parent/guardian.

The sponsorship disclosure shall not require an acknowledgment from the parent; however, it should state the following and it should be a sworn statement acknowledged in front of a notary:

- The employee has a social relationship with a student/s outside of school (ensure you include a complete list of all District students)
- The name of the social activity, the length of time the social activity will require electronic communication with the student
- The employee has provided the parent with a copy of this protocol
- The employee has explained to any/all District parent/guardian that the employee's communications with the student are excepted from district regulation
- The employee has explained to the parent/guardian that the parent is solely responsible for monitoring electronic communications between the employee and the student; and
- This document must remain on file with the employee's evaluating supervisor. This letter shall be relevant and applicable for the school year in which it was filed. A new sponsorship letter must be submitted each academic year for each extracurricular program that the employee hosts outside of school.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.

- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee may use any form of electronic media **except** any type of instant messaging or text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use instant messaging or text messaging, and then only to communicate with students who participate in the teacher's classroom or in an extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
  - The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;
  - The employee shall include his or her immediate supervisor or the supervisor's designee as a recipient on each text message to the student so that the student and supervisor receive the same message;
  - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district e-mail address; or
  - The employee is using an application similar to Remind 101 wherein the application is created for the purpose of mass instant or text messaging of information to relevant groups (classroom students or extracurricular students) and is disabled for two-way communication. Notwithstanding the foregoing, it is still strongly advised that you include a supervisor or the supervisor's designee or a parent in the mass communication
- The employee shall limit all communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.
- The employee shall not communicate directly with any student between the hours of

10:00 p.m. and 6:00 a.m. ("Restricted Hours"). An employee may, however, make public posts to a social network site, blog, or similar application at any time. Instant messaging or text messaging shall be allowed outside of the restricted hours when an extracurricular activity is still ongoing at the time of the instant message or text message or if an overnight extracurricular activity requires the text. All texts sent outside of the restricted hours **shall** include a supervisor or the supervisor's designee or at least one parent of the students who are being texted.

- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:
  - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
  - Copyright law [Policy CY]
  - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personnel email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.

The district is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each school. A copy of the district's management plan is kept in the Business office and is available for inspection during normal business hours.

## **Pest Control Treatment**

*Policies CLB, DI*

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the district's integrated pest management program.

Notices of planned pest control treatment will be posted in a district building 48 hours before the treatment begins. Notices are generally located in designated areas at school and sent home to parents who wish to be informed in advance of pesticide applications. In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written, or electric means. Pest control information sheets are available from campus principals or facility managers upon request.

### **School Pest Management Policy Statement**

Structural and landscape pests can pose significant problems to people, property, and the environment. Pesticides can also pose risks to people, property, and environment. It is therefore the policy of Sharyland ISD to incorporate Integrated Pest Management (IPM) procedures for control of structural and landscape pests.

### **Pests**

Pests are populations of living organisms (animals, plants, or microorganisms) that interfere with use of the school site for human purposes. Strategies for managing pest populations will be influenced by the pest species and whether that species poses a threat to people, property, or the environment.

### **Pest Management**

Approved pest management plans should be developed for the site and should include any proposed pest management measures. Pests will be managed to: Reduce any potential human health hazard or to protect against a significant threat to public safety. Prevent loss of or damage to school structures or property. Prevent pests from spreading into the community, or to plant and animal populations beyond the site. Enhance the quality of life for students, staff, and others.

### **Integrated Pest Management Procedures**

IPM procedures will determine when to control pests and whether to use mechanical, physical, chemical, cultural, or biological means. IPM practitioners depend on current, comprehensive information on the pest and its environment and the best available pest control methods. Applying IPM principles prevents unacceptable levels of pest activity and damage by the most economical means and with the least possible hazard to people, property, and the environment. The choice of using a pesticide will be based on a review of all other available options and a determination that these options are not acceptable or are not feasible. Cost or staffing considerations alone will not be adequate justification for use of chemical control agents, and selected non- chemical pest management methods will be implemented whenever possible to provide the desired control. It is the policy of Sharyland ISD to utilize IPM principles to manage pest populations adequately. The full range of alternatives, including no action, will be considered. When it is determined that a pesticide must be used in order to meet important management goals, the least hazardous\* material will be chosen. The application of pesticides is subject to the Federal Insecticide, Fungicide and Rodenticide Act (7 United States Code 136 et seq.), Sharyland ISD policies and procedures, Environmental Protection Agency regulations in 40 Code of Federal Regulations, Occupational Safety and Health Administrations regulations, and state and local regulations.

### **Education**

Staff, students, pest managers, and the public will be educated about potential school pest problems and the IPM policies and procedures to be used to achieve the desired

pest management objectives.

### **Record Keeping**

Records of pesticide use shall be maintained on site to meet the requirements of the state regulatory agency and School Board. Records must be current and accurate if IPM is to work. In addition, pest surveillance data sheets that record the number of pests or other indicators of pest populations are to be maintained to verify the need for treatments.

### **Pesticide Storage and Purchase**

Pesticide purchases will be limited to the amount authorized for use during the year. Pesticides will be stored and disposed of in accordance with the EPA-registered label directions and state regulations. Pesticide must be stored in an appropriate, secure site not accessible to students or unauthorized personnel.

### **Pesticide Applicators**

Pesticide applicators must be educated and trained in the principles and practices of IPM and the use of pesticides approved by this Sharyland ISD and they must follow regulations and label precautions. Applicators should be certified and comply with this Sharyland ISD IPM policy and Pest Management Plan.

\*Precautionary statements are required on all pesticide labels. Signal words indicate the level of acute toxicity, the hazard to humans posed by the pesticide product. Every label bears the child hazard warning: Keep Out of Reach of Children.

The structural pest control industry is regulated by the Texas Department of Agriculture (TDA), Structural Pest Control Service (SPCS), PO Box 12847, Austin, TX 78711-2847. TDA licenses the businesses, certified applicators and technicians who perform structural pest control work. For information concerning structural pest control laws, contact the Structural Pest Control Service at: (512) 305- 8250 or 866-918-4481.

(See *Complaints and Grievances*, page 46.)

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. ## **Parent and Student Complaints**

### *Policy FNG*

While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.

## EARLY RESIGNATION NOTICE INCENTIVE

The Texas Education Code allows educators employed under a probationary, term, or continuing contract to provide notice of resignation, without penalty, at any time up until 45 days before the first day of instruction of the following school year.

In order to allow the District additional time to plan staffing for the following school year, the District is offering an incentive to identified employees for their early notice of resignation. Employees who give the district notice by **March 1<sup>st</sup>** will earn \$50 per day for up to 20 days of local unused sick leave—a maximum of \$1,000.

### Eligibility:

- Any contract employee who intends to resign and/or retire at the end of the current school year;
- Notifies the Sharyland ISD Office for Human Resources in writing no later than March 1<sup>st</sup> of their intention to resign and/or retire; **and**
- Completes their assigned work schedule for the year

Any written notification received after **March 1<sup>st</sup>** shall not qualify for the incentive. The incentive will be paid on the first paycheck after the completion of the employee's assigned work schedule for the school year.

To complete a voluntary resignation/retirement form, log on to [www.sharylandisd.org](http://www.sharylandisd.org) and select employment resources tab.

*Note: A contract employee is an employee who holds a contract (probationary or term) issued by the District. Contract employees do not include at-will/hourly employees.*

**Superintendent Reporting Requirements Under the New Disciplinary\_ Proceedings for Educators (Texas Education Code §21.006 and 19 TAC Chapter 249, § 249.14)**

**1. What kinds of information must superintendents report to the SBEC under the disciplinary rules for educators?**

Superintendents must report two general categories of information:

- the reported criminal history of an applicant for or holder of a certificate or permit issued by SBEC and
- educator misconduct that results in termination or resignation.

**2. What is a "reported criminal history"?**

A reported criminal history includes information about an arrest, indictment, prosecution, conviction, or other disposition by the criminal justice system. Probation and deferred adjudication, for instance, are part of an individual's reported criminal history.

**3. What types of misconduct that have not resulted in a reported criminal history must be reported to SBEC?**

The superintendent **must** provide information to SBEC if any of the following misconduct forms the basis for the termination or resignation of a certified educator:

- abused or otherwise committed an unlawful act with a student or minor;
- possession, transfer, sale, or distribution of a controlled substance;
- illegal transfer, appropriation, or expenditure of property or funds of the school district, service center or shared services arrangement;
- seeking or obtaining a certificate or permit by fraud or without authorization, if the credential would enable the individual to fill an assignment requiring the credential or to receive additional pay related to the assignment; or
- commission of a crime on school property or at a school-sponsored event.

**4. What is the deadline for reporting the information to SBEC?**

Not later than seven calendar days after the superintendent first becomes aware of a reported criminal history or a termination or resignation based on an act of misconduct listed above. A settlement with a departing employee does not alter the superintendent's responsibility to report the information to SBEC.

**5. What are the consequences for failing to report this information?**

The Board may sanction the certificate of a superintendent who fails to report the required information within seven calendar days. Possible sanctions include reprimand, suspension, or revocation of the superintendent's certificate.

**6. Where should the report be sent? What information should be included?**

The report should be mailed (Capitol Station, P.O. Box 12728, Austin, TX 78711-2728) or faxed (512/936- 8247) to the executive director, and must include the following information:

- summary of the factual circumstances underlying the report;
- name of the individual reported and any aliases;
- reported individual's certificate number, if any, or social security number; and
- reported individual's last known mailing address and home and daytime phone numbers.
